

Welcome to Catalyst Pathways®!

A Roadmap for Your Treatment Journey

Care Team

Your Patient Access Liaison (PAL) and Care Coordinator will make sure you understand your medication and can find the specific information and resources you need.

Navigating tomorrow together

Here's what to expect in the first few weeks

1

Complete and Sign Your Enrollment Form

Enrolling in Catalyst Pathways is voluntary and free. Download the Enrollment Form at

YourCatalystPathways.com or call 1-833-422-8259.

You will fill out this form with your doctor and then your doctor will fax the finished and signed form to Catalyst Pathways.

Enrollment form completion

2

Connect With a Care Coordinator

You will get a phone call from a Care Coordinator within 24 hours of your enrollment.

The Care Coordinator will:

- Welcome you into Catalyst Pathways and explain next steps
- Introduce your dedicated Patient Access Liaison (PAL)
- Explain insurance coverage and benefits
- Find sources of financial assistance, if needed
- Coordinate shipment of your medication

Connection with Care Coordinator

3

Explore Financial Assistance

Catalyst Pathways offers different types of financial assistance programs.

You may qualify for:

- Copay assistance (for people with commercial insurance)
- Third-party foundation assistance (from nonprofit organizations)
- Patient Assistance Program (for people without insurance or who are denied coverage)

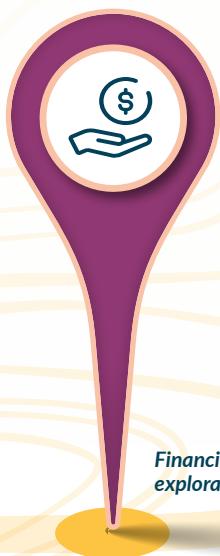

4

Meet Your PAL

Once you've spoken with your Care Coordinator, your PAL will contact you to:

- Schedule a meeting (in person or over the phone)
- Answer questions about your medication
- Share updates on the status of your insurance coverage
- Connect you with other community members

A PAL is available to visit with individuals and families face-to-face.

5

Get to Know AnovoRx Specialty Pharmacy

AnovoRx Specialty Pharmacy will call you to confirm your mailing details and preferences and then deliver your medication overnight.

Specialty pharmacists are trained in rare diseases, have expertise in your medication, and can answer your questions 24/7.

Specialty pharmacy assistance

Call **1-833-422-8259** to enroll in Catalyst Pathways and learn more.

Extra Support Along the Way

Insurance Navigators

Insurance Navigators work directly with your insurance company to determine coverage and identify whether you need preauthorization for your prescription.

“Bridge” Medicine

Catalyst Pathways will provide qualifying people with free medicine to bridge the gap between insurance investigation and confirmation of coverage.

Educational Resources

Take advantage of the many tools and resources available through Catalyst Pathways, such as:

- Brochures, pamphlets, and other materials about your condition and your treatment
- Educational programs led by experts and PALs, where individuals and caregivers can learn about and discuss topics related to their condition
- Links to community organizations that can help you advocate for your needs

Patient and Community Programs

Catalyst offers an array of programs specifically tailored for the communities they serve. Contact your PAL directly or reach out to Catalyst Pathways at [1-833-422-8259](tel:1-833-422-8259) to learn more about these programs.
